Statement from Mayor Chuck Reed on District 4 Election

I offer Councilmember-elect Kansen Chu my hearty congratulations and my assistance as he takes office. I've known Kansen for many years, and I am looking forward to working with him to tackle the tough issues facing the City and District 4.

I hope to meet with him as soon as I return from Washington, D.C. next week. Until then, my staff is available to provide any aid he needs in the transition.

My former council district will be in good hands with a dedicated community leader like Kansen serving as councilmember.

Note: Mayor Reed has asked the City Council's Rules and Open Government Committee to place Councilmember-elect Kansen Chu's confirmation on the June 19, 2007 Council meeting agenda.
